A greedy mouse saw a basket full of corn. He wanted to eat the corn, so he made a small hole in the basket and crept in. As he was very hungry, he ate a lot.

When the mouse felt that he had enough, he tried to get out of the small hole. He could not as his belly was too big.

5

The mouse started crying. Just then, a rat passed by. It heard the mouse's cry and asked, "Why are you crying?"

The mouse explained to the rat what had happened.

The rat said, "You ate too much. Wait till your belly shrinks." The rat laughed and went off.

10

Soon after, the mouse fell asleep in the basket. The next morning, his belly had shrunk. His stomach growled loudly. He had forgotten about getting out of the basket and ate more corn. His belly then grew really huge again!

After eating, the mouse remembered that he had to escape. Obviously, he could not. He thought to himself, "Never mind, I can always go out tomorrow."

15

The cat passed by that very evening. He smelt the mouse in the basket. He lifted its lid and gobbled up the mouse.
