They were inseparable.

Hazel was very worried and told her mother about the kitten's strange behaviour. The next day, Hazel's mother took it to the vet. Comprehension

Read the passage below and answer the questions that follow.

"A new dress? A pretty skirt?" Serene suggested. I shook my head. I knew Mother's hobbies were cooking and baking but I did not know what present to buy for her.

Just as I was feeling worried, a great idea hit me. We could cook her a nice meal! I fondly recalled how Mother always prepared special meals for us on our birthdays. However, she never allowed us into the kitchen to help for fear that we would hurt ourselves. 5

I shared my idea with Serene and we got to work quickly. We decided to prepare spaghetti and bake a cake. Serene took charge of the spaghetti and began boiling the noodles. I mixed the ingredients for the cake before pouring the mixture into a huge mould. After that, I placed it in the oven. Feeling tired, we decided to head to the living room to rest. 10

"Serene! Sally! Are you home?" we heard Mother's voice. My eyes widened in shock. We sprinted to the front door to wish her a happy birthday. 15

Suddenly, Mother's expression changed. "What's that strange smell?" she asked with a worried look. We hurried into the kitchen, heading towards the oven. Tears welled up in my eyes as Mother carefully took out the burnt cake with her mittens. She cut a small slice and put it into her mouth. 20

"This is the best cake I have ever had!" she said. I wiped away my tears as we presented her with the rest of her birthday meal.
