Section I: Comprehension (8 marks)

Read the passage carefully and answer the questions that follow.

It was a dark and gloomy night. Tom and Kim were listening to Grandmother tell them a story as usual.

"In fairy tales, witches always wear silly black hats and black cloaks. They also paint their faces green and ride on broomsticks. However, real witches wear rainbow hats and colourful clothes, and do not paint their faces," said Grandmother. "Real witches like to play tricks on children. They will hide their school bags, swop their food with others and paint their faces," Grandmother continued. 5

Tom and Kim listened with astonishment and delight.

"Where can we find them?" asked Tom.

"We can find them anywhere though they are rare these days. If you look carefully, they can be found in parks, clinics, schools and even in supermarkets," Grandmother said in her husky voice. 10

"Do not be afraid of them. They are cheerful and friendly. If you are lucky, they might offer you a candy, chocolate or lollipop. I was lucky to come across one when I was young. She offered me a lollipop," Grandmother added, smiling. 15

Grandmother was such a great story-teller that by then, Tom and Kim, who were so engrossed in the story, were hoping to meet a real witch soon.
