Section C: Comprehension (8 marks)

Read the following passage and answer questions 15 to 19.

Fifty-six-year-old Chang Yang Fa still has his first toy; a Matchbox truck that was given to him when he was six. The father of three also has many playthings which he collected over the years. They are worth more than \$5 million.	
Mr Chang's toy collection increased over a period of twenty-five years. He is now preparing to share his toys with the public by moving them to a toy museum, which is the first in Singapore. The toys which are now stored in various places will be housed in a \$2 million place in Seah Street.	5
"It's every toy collector's dream to open a museum where he can share his passion with other people," said Mr Chang. The toys can be traced back to toy makers from more than twenty-five countries. They were bought from auctions, junk stores and dealers by Mr Chang.	10
The toy collection includes a 1903 Steiff bear, a Batman figure that was shipped in a Superman packaging by mistake, and a 1930 plush Mickey that has creator Walt Disney's signature on its sole. Many pieces are still in mint condition.	15
"The museum can bring people back in time. It's meant to bring out the child in every one of us," said Mr Chang. Adapted from The Straits Times, 5 August	

15. In which country was the toy museum that Mr Chang wanted to share his collection of toys located? [1m]

16. Which **two-word phrase** between lines 13 and 18 has the same meaning as "as if new"? [1m]

Section F: Comprehension (8 marks)

Read the following passage and answer questions 31 to 36.

Adam pulled the covers up to his chin. He searched the darkness for the thing that was making those scary sounds. The closet door moved as something banged on it from the inside.	
"Who's there?" Adam asked in a shaky voice. He ran to the closet door, slamming it shut with his palms. He grabbed his chair and propped it against the door handle. Then he ran out of his room to look for his brother, David.	5
"Adam?" David asked. "What are you doing here?" Adam tugged on David's arm. "There's something in my closet!"	
"You probably had a bad dream," said David. Adam snapped. "It wasn't a dream! The closet door started opening by itself!"	10
David sighed. "Fine. But when we don't find anything, you have to promise to leave me alone for the rest of the night." Adam nodded. David reached for a flashlight and they headed to Adam's room.	
"Do you hear that?" Adam asked. David nodded. He walked over to Adam's bed and pulled the case off one of the pillows. "You open the door very slowly, and I'll grab whatever it is." Adam pulled the closet door open. Something banged against the door, trying to force it open.	15
Adam took a deep breath. "I got it!" David said, closing the pillowcase and holding it in the air.	
"What is it?" Adam moved closer as David peeked inside. An orange cat climbed out. Adam exclaimed. "Apricot? How did you get trapped in my closet?"	20
David laughed. "The poor cat. If I was locked in your closet with your stinky shoes, I'd be banging on the door to get out too!"	
"Poor Apricot," Adam said. "You were probably more scared than I was."	
<i>Adapted from: The story "The Closet Creature – Kelly Hashway"</i>	

31. Why did Adam pull the covers up to his chin? [1m]

32. Look at the table below. What do the words in the left column refer to in the passage? Write your answers in the column on the right. [2m]
